### Summary of reasons for decision:

The image file contains a misappropriated image that has had humorous text added that means the image presents as an act of child sexual abuse. It has the effect of trivialising the sexual exploitation of children for entertainment and therefore tends to promote and support the exploitation of children for sexual purposes under s3(2)(a) of the Films, Videos, and Publication's Classification Act 1993. This classification places a limit on the right to freedom of expression contained in the New Zealand Bill of Rights Act 1990 but is consistent with parliament's intention that publications falling within s3(2) be deemed objectionable.
